

EDITOR'S DESK

"When we tackle obstacles, we find hidden reserves of courage and resilience we did not know we had" said A.P.J. Abdul Kalam. Perseverance , courage and resilience are not new to JAC. Our academic journey these 50 years through rugged paths and untrod ways with single-minded yearning for excellence has taught us to weather any difficulty as the most enduring oak. So, even as the pandemic ravaged the world and brought unimagined paradigm shift to the educational system, JAC deftly adapted to the new normal and continued her meaningful journey through myriad online and offline events. This issue of JACNEWS is a record of our efforts to shine bright even in the bleakest of times.
