

## EDITOR'S DESK

*Life is full of surprises and we are unaware of the happenings of the next moment. When each day was passing lulled by the monotony of routine and order, in came the Pandemic, Covid to change the world as we know it upside down. In an unprecedented move towards disaster management, our government decreed nation-wide complete lockdown bringing our lives to a standstill. Though stunned by the impact of the pandemic and we don't know what the future holds, we know who holds our future- God Almighty. As the saying goes, "When the going gets tough, the tough gets going", we at JAC, adapted ourselves to the new normal and ventured towards extending a supporting hand to the society and our students during this time of crisis through various nourishing activities. This issue is a record of our faith, resilience and strength.*
