

EDITOR'S DESK

In JAC, the Word of God has always been the glowing beacon of light, hope and succour, ever guiding and guarding our college and everyone connected to it. September renewed our covenant with God and brought abundant showers of blessing on staff and students through Bible Day and Holistic Development Programme. Our tradition praises teachers as "Gurus"- the dispellers of the darkness of ignorance from the mind of the pupils. Understanding that their teachers are the catalysts in their paths to success, students celebrated Teachers Day with much aplomb. The latter half of the semester especially offered abundant harvest of academic and research richness and this issue records the curricular, co-curricular and extra-curricular activities and achievements that made the illustrious banner of our institution fly proud and high in the months of September, October and November.
