Our heartfelt tribute to **Rev. Sr. Dr. P. Helen Chandra** whose loss left us with unsurmountable grief. She was a brilliant Professor, astute mathematician, outstanding researcher, pious nun and a wonderful person. With her versatile talents she never failed to win the admiration of people she came in touch with. Intelligent as she was, she combined meticulous planning with sincerity. Efficiency and effectiveness were her trademark. Her ardent devotion to our Lord Jesus Christ helped her face life confidently and courageously. She was the

pioneer who coordinated digitalization activities for JAC in her role as the Head of the Department of Computer Science. Her penchant and willingness for hard, untiring work as the Controller of Examinations and the Secretary of the college were greatly impressive. The college is immensely grateful to Rev. Sr. Dr. P. Helen Chandra for her prodigious contributions to its welfare and we praise God for the gift of her blessed life.

Let me wind up by saying that we are strong in aspirations. Our Institution in all its pursuits, aims high and spares no pain to reach the highest standard.
