

EDITOR'S DESK

"Hardships often prepare ordinary people for an extraordinary destiny" are the encouraging words of C.S. Lewis. In the last months of the academic year 2020-21, every challenge and hardship that came our way only motivated us to move towards our extraordinary destiny with zeal. It is with the spirit of resilience and determination, JAC continued in its mission of imparting quality education even in the toughest of times. Holding on to hope, every dream was visualised, every possibility was explored, and every opportunity was used.

Even as the second wave of the deadly pandemic was raging out in the world, JAC continued to inspire young minds through meaningful programmes, seminars, webinars, conferences, competitions, research activities and more. Many programmes were organised in commemoration of the college's Golden Jubilee too. This issue of JAC-NEWS is not only a record of all the events at JAC from March to May 2021, it is also a testimony to our fortitude and strength.
