RESEARCH PROMOTION POLICY

Research at JAC

Research activities in higher education institutions focus to contribute a broader understanding of research for the quality of teaching and student learning. Keeping view of this principle, JAC has a vibrant Research Committee that promotes an enabling environment for research activities in the campus.

Constitution of Research Committee

Chairman : Principal

Co-ordinator: Dean of Research

Members : One faculty member from each department and Project Development Officer

Objectives

- To act as a catalyst to promote research atmosphere in the campus
- To facilitate the faculty and scholars to present research papers in international / national seminars / conferences
- To motivate the faculty and scholars to publish research papers in international / national peer reviewed/indexed journals with high impact factor
- To persist the publication of biannual research journal – JACJOSHAM including research articles from other institutions
- To motivate the newly recruited faculty members (Both aided and unaided) to pursue Ph.D.

- To encourage the Ph.D. holders to get approval as research supervisors for Ph.D.
- To tap funds from various funding agencies for seminars / conferences / workshops
- To facilitate the Faculty members and students in tapping funds from various funding agencies for research projects through Project Development Officer
- To provide financial assistance to Faculty members in unaided stream and PG students / Ph.D. scholars under JACFRP (Jayaraj Annapackiam College Funded Research Projects) and promote paper publication in Scopus/Web of science/SCI indexed journals
- To undertake interdisciplinary research and joint research projects
- To conduct RESEARCH FORUM once in a year and Research Colloquium once in a semester for Ph.D. scholars
- To upgrade the departments as research centres
- To motivate the Faculty to publish individual as well as institutional patents
- To formulate the rules and regulations for Research Scholars and guidelines for research centres.

Research promotion policy

- The College, through Research Committee, encourages the faculty to take up research activities in addition to teaching.
- The College extends all sorts of support to the staff who pursue Ph.D. by granting eligible leave so that they could complete their research.
