#### **Report of the External Audit held on 15<sup>th</sup> March, 2022**

IQAC conducted external CAMPUS GREEN AUDIT 15<sup>th</sup> March, 2022. The external audit team consisted of Dr. D. J. S. Anand Karunakaran, Energy Auditor, Associate Professor of Physics, Dr. V. Anand Gideon, Associate Professor and Head of Botany, Flora and Fauna Expert and Prof. A. Alagappa Moses, Functional Area Expert – Ecology & Biodiversity (Accredited by Quality Council of India – NABET), Associate Professor and Head, Department of Environmental Sciences, Bishop Heber College (Autonomous), Tiruchirappalli.

The audit process involved initial interviews with management to clarify policies, activities, records and co-operation of staff and students in the implementation of mitigation process. Staff members were given training on the collection of data for the campus green audit process. After verification of the data submitted and observation of practices, they appreciated and commended the efforts taken by the members of the faculty, students, support staff and the Management towards creating a strategic change in attaining holistic environmental sustainability. The Environmental Audit, Green Audit and Energy Audit by the team provided better understanding of green impact to staff and students of the college.
