IQAC JAC NEWS

EDITOR'S DESK

The United Nations had developed the 2030 Agenda with 17 Sustainable Development Goals and the 4th of the Sustainable Development Goal is "Quality Education". This goal aims to provide affordable quality higher education to eliminate gender and wealth disparities. We are proud to acknowledge that this is a vision shared by our JAC too. The college works unceasingly towards providing quality academic and research opportunities to even the most obscure of rural women. Using the platform given to prove themselves, our staff and students have excelled in various curricular, co-curricular, extra-curricular and research activities and this issue of JACNEWS is a record of their tireless striving. Happy reading.
