

## Jayaraj Annapackiam College for Women (Autonomous)

(A unit of the Sisters of St. Anne of Tiruchirapalli)

PERIYAKULAM – 625 601

THENI DISTRICT

DST – FIST supported college since 2016

Accredited with 'A' Grade (Cycle 4) by NAAC

Affiliated to Mother Teresa Women's University, Kodaikanal

### WASTE POLICY

The College promotes sustainable consumption pattern among staff, students and visitors. Waste is considered as a misplaced resource and is managed responsibly.

The College endorses that careless waste disposal leads to Environmental hazards and Responsible disposal leads to a healthier living.

The College stimulates 5 R principles in the order of **Reduce, Reuse, Recycle, Refuse and Recover** and provides convenient waste segregation, collection and guidance for the disposal of paper, cardboard, glass, plastic, electrical and white goods, hazardous waste and e-waste.

The College inculcates a culture of avoiding purchase of products with excessive or unnecessary packaging and encourages to purchase products that can be used multiple times and are long lived rather than single – use or poor quality items that are thrown away quickly.

The College encourages all the stakeholders to improve the habit of recycling materials by appropriate segregation of waste and recycling paper waste through paper recycling unit.

### **WATER POLICY**

The JAC recognizes and endorses water as a prime natural resource, a basic human need and a precious institutional asset.

The College emphasizes water as a significant commodity and strives to promote its conservation and efficient use through the implementation of the 6<sup>th</sup> Sustainable Development Goal 'Clean Water and Sanitation'.

The College minimizes the consumption of water and enhances groundwater level by establishing Campus Catchment Area and rainwater harvesting schemes in all buildings of the campus. Students and Staff are encouraged to report leaks and faulty taps and take measures to rectify them promptly by progressively replacing faulty taps and fittings.

The College utilizes rainfall directly with a Campus Catchment Area by gravity method through well laid conduits. The Campus Rainwater Harvesting facility is considered in a holistic manner, Recycle and reuse water as much as possible.

### **SANITATION POLICY**

Environmental Sanitation of JAC is aimed at developing and maintaining a clean, safe and pleasant physical environment in all the buildings.

The JAC aims at promoting the social, economic and physical well-being of all sections of the students.

The principal components of environmental sanitation include:

- Collection and biogas generation using vegetable wastes and night soil
- Storm water drainage
- Control of pests and vectors of disease
- Food hygiene
- Hand hygiene
- Environmental sanitation education
- Inspection and enforcement of sanitary regulations
- Monitoring the observance of environmental standards
