Core Values of the Institution

Jayaraj Annapackiam College is a Minority Christian Institution founded by the Sisters of St. Anne of Tiruchirappalli, a religious Congregation on 5th July, 1971, with the noble aspiration of uplifting the moral and educational standards of the women of this rural area which is economically and educationally backward, with the vision, 'Empowerment of rural women to be the agents of social change', and the motto '**Serve with Love**'. The college has been pursuing its goals and objectives assiduously and has earned reputation for its sterling service in the field of higher education.

Life for a whole person is to grow in all areas of life: physically, intellectually, emotionally, socially and spiritually. The college creates an ideal environment for the students to maximize its natural transforming processes.

To enrich and empower the students, the college has the following objectives:

- To discover wisdom and intelligence within the students
- To overcome the confronting circumstances of their daily life
- To call on the creative power to open up the ideal office for everyone to mine the innate talents
- To get acquainted with the nuances of one's thought and transform one's life
- To foster social responsibility in students
- To ensure holistic and integrated development of the students

The innovative practices of the college include the world view and value system and help the students to maintain a balance in their developments.

Spirituality

The college provides Holistic Programmes to develop spirituality, faith in God, ethics and values and wholeness in oneself and others.

Integrity

The college ensures the surest sign of maturity by enabling the students to experience their emotions and integrate them into all aspects of their beings. The Mentoring System helps the students to be in touch with their feelings, able to own them and express them freely and enable them to face the challenges. The trained Counsellors deal with their problems and help them to grow through the circumstances of their lives.

Intellectuality

The college creates opportunities for innovations and critical thinking in curricular, co-curricular and extra-curricular activities to make them intellectually strong.

Personality

The college paves way to develop their Sports skills, aesthetic skills and their creativity through extra-curricular activities and to represent the college at National / International level competitions.

Social Responsibility

The college inculcates Eco culture and imbibes social responsibilities through training and outreach programmes and develops a socially responsible citizen.
