#### **Report of the External Audit**

IQAC conducted external **CAMPUS GREEN AUDIT** 23<sup>rd</sup> February, 2023. The external audit team consisted of Prof. A. Alagappa Moses, Vice Principal, Associate Professor & Head, Department of Environmental Sciences, Bishop Heber College, Trichy explained the importance of conservation of our environment and narrated about the Waste water management system. Dr. V. Anand Gideon, Dean, Associate Professor and Head, Department of Botany and Bishop Heber College, Trichy, highlighted the biodiversity and its management. Dr. D. J. S. Anand Karunakaran, Associate Dean, Associate Professor in Physics and Bishop Heber College, Trichy, explained the Energy management and about the green house effect & global warming. Mr. Prabakaran, Manager, Center for Environmental Sustainability explained the recycling method.

The audit process involved initial interviews with management to clarify policies, activities, records and co-operation of staff and students in the implementation of mitigation process. Staff members were given training on the collection of data for the campus green audit process. After verification of the data submitted and observation of practices, they appreciated and commended the efforts taken by the members of the faculty, students, support staff and the Management towards creating a strategic change in attaining holistic environmental sustainability. The Environmental Audit, Green Audit and Energy Audit by the team provided better understanding of green impact to staff and students of the college.
