8. **Brief description of the event:** :

In observance of World Water Day, A Poster Making Competition on the theme “EVERY DROP OF WATER COUNTS” (ஒவ்வொரு துளி தண்ணீரும் முக்கியம்) was organized in our college on 23.03.2026 at 2.45 P.M in Room No 58. to create awareness about the importance of water conservation. The event aimed to encourage students to express their ideas creatively and highlight the need to save water for future generations. Participants used vibrant colours, innovative designs, and meaningful slogans to convey powerful messages about water scarcity, conservation, and sustainable usage. The posters reflected various important themes such as rainwater harvesting, prevention of water wastage, protection of water bodies, and the impact of water scarcity on life. Around 25 students from various departments participated and the prizes were awarded.

- 4. Date & Duration** : 23.03.2026, 2.30 – 3.30 P.M
- 5. Number of participants** : Students from JAC – 30
- 6. Funding source** : Nil
- 7. Resource Person/s** : Nil
- 8. Brief description of the event: :**

A Kitchen Seeds Distribution Programme was organized to promote healthy eating and encourage kitchen gardening among students. The programme aimed to create awareness about the importance of growing fresh vegetables at home. Seeds of common vegetables like tomato, brinjal, and greens were distributed to the participants. Around 30 students actively participated and benefitted from this initiative. The session also included basic guidance on seed sowing and plant care. Students showed great interest in developing their own kitchen gardens. The programme emphasized sustainability and self-reliance. It also highlighted the nutritional benefits of consuming home-grown vegetables. The initiative was well-received by the students and faculty. Overall, the programme was successful in motivating students towards eco-friendly practices
