Projects

- The Seven Moons of Maali Almeida by Shehan Karunatilaka - A New Historicist reading**
The research undergoes in exploring the historical past of Sri Lanka mainly during the Civil war period and also captures the essence of the war, upbringing the hidden and dark truth of the actual happenings in Sri Lanka in the name of political and cultural hegemony. I have applied 'new historicism' as a major theatrical framework to critically analyse this research in upbringing the actual truth and also in exploring the cultural values of an individual in terms of identity.
