FROM THE EDITOR'S DESK

It gives me immense pleasure to present this edition of JAC NEWS, chronicling the vibrant academic and institutional journey of our college from March to May 2026.

This period has been marked by remarkable milestones. We proudly celebrated our 55th College Day, graced by Dr. A. W. Santhosh Kumar, Vice Chancellor of Amity University, Mumbai, along with meaningful initiatives such as the Candle Lighting Ceremony, Valedictory Function and the Equality Day Pledge, each reaffirming our commitment to values, inclusivity, and social harmony.

Our faculty's scholarly contributions continue to shine, with an impressive array of research publications in Scopus and peer-reviewed journals, book chapters, patents, and conference presentations spanning disciplines from Chemistry to Tamil Literature. The submission of new project proposals and the securing of prestigious awards, including the IMRF Bharat Vaigyanik Pratibha Award and the Best Researcher Award, reflect the depth of research culture nurtured on our campus.

Departments across the college organized enriching workshops, guest lectures, and skill-development programmes — from cosmetics chemistry and chromatographic techniques to AI tools and entrepreneurship training — equipping our students with both academic depth and practical readiness for the future.

We are especially proud of our students' achievements: paper publications, placements, patents-in-progress, internships, and prize-winning performances at intercollegiate meets.

As always, this issue stands as a testament to the collective dedication of our staff, students, and management in advancing quality education and holistic development.

I extend my heartfelt appreciation to the Editorial Team and all contributors for their tireless efforts in bringing this issue to fruition.
